THE OKR INTERNATIONAL BRAND

WHY WE EXIST

Our Purpose is to help
companies become More Agile,
More Collaborative & More
Successful.

WHAT PROBLEMS WE SOLVE

1

We help you create more alignment, better accountability, higher engagement and better results, faster.

2

With increasing changes in the marketplace globally, we help you stay relevant with higher levels of innovation and agility within your organisation.

3

Being agile and using OKRs require you to bring the right leadership mindset and culture to the table. We help solve your leadership & culture challenges.

4

We help bridge the strategy to execution gap, coaching your leaders on goal management, process and culture change and maintaining focus.

OUR LEADER

NIKHIL MAINI

I am most excited when I do work that involves systemic organisational change. What drives me is work in Organisational Culture Transformation, Leadership Development, Strategic Planning and OKRs (Objectives & Key Results). I am a results-driven leader with cross cultural experience spanning 27+ years.

Managing Director
