THE OKR INTERNATIONAL BRAND

WHY WE EXIST

Our Purpose is to help
companies become
More Agile, More
Collaborative &
More Successful.

WHAT PROBLEMS WE SOLVE

1

We help you create more alignment, better accountability, higher engagement and better results, faster.

2

With increasing changes in the marketplace globally, we help you stay relevant with higher levels of innovation and agility within your organisation.

3

Being agile and using OKRs require you to bring the right leadership mindset and culture to the table. We help solve your leadership & culture challenges.

OUR LEADERS

NIKHIL MAINI

Managing Director

I am most excited when I do work that involves systemic organisational change. What drives me is work in Organisations Culture Transformation, Leadership Development, Strategic Planning and OKRs (Objectives & Key Results). I am a results-driven leader with cross cultural experience spanning 27+ years.

OUR SERVICES

WHERE WE PLAY
