ABOUT US

ABOUT THE COMPANY

OUR STORY

From Strategies to OKRs, from Culture Transformation to Leadership Development - OKR International's solutions provide your organization with the power & scale to grow exponentially.

OKR International, our flagship brand, operated under its parent company, Seven People Systems Pvt. Ltd., based in India from 2007 until 2023. With over 15 years of experience across more than 22 industry sectors globally, we specialize in creating practical, workable solutions. In 2023, OKR International became an independent brand, now headquartered in Dubai, UAE. We are dedicated to solving three core problems, leveraging our extensive expertise to deliver effective solutions worldwide.

THE OKR INTERNATIONAL BRAND

WHY WE EXIST

Our Purpose is to help
companies become *More Agile,*
More Collaborative & More
Successful.

WHAT PROBLEMS WE SOLVE

1

We help you create more alignment, better accountability, higher engagement and better results, faster.

2

With increasing changes in the marketplace globally, we help you stay relevant with higher levels of innovation and agility within your organisation.

3

Being agile and using OKRs require you to bring the right leadership mindset and culture to the table. We help solve your leadership & culture challenges.
